Existing Barriers .....	B-3
Recommendations .....	B-5
Examples .....	B-10

## **C. Appendix C**

Employer Survey .....	C-1
-----------------------	-----

## **D. Appendix D**

Resident Survey .....	D-1
-----------------------	-----

## **Acknowledgements**

Special thanks to Stephen Drinkard, City of Sandpoint, and Victoria Hahn, Panhandle State Bank, for their tireless efforts in bringing together the sponsors for this study, their assistance in distributing and collecting the resident and employer survey forms and for providing general project assistance and support.

Judy Baird and the Greater Sandpoint Chamber of Commerce donated time and efforts in distributing and collecting the employer and employee surveys for the study. Thank you to the many employers in the county who collected surveys from their employees.

Gina Hurley, Executive Director of the Selkirk Association of Realtors, contributed very valuable Multiple Listing Service (MLS) data to the study. The Bonner County Assessor's office generously donated data and time answering questions about their data.

The Idaho Housing & Finance Association (IHFA) was a major contributor to the study, providing funding, guidance and administrative support.

In addition to funding by the City of Sandpoint, Bonner County and IHFA, contributions were received from the following local businesses:

- ▶ North Idaho Community Services Corporation,
- ▶ America West Bank,
- ▶ Panhandle State Bank,
- ▶ Selkirk Association of Realtors, and
- ▶ Coldwater Creek.
